

CUT. COLOR. ME

In this class you will explore both cutting and colour techniques from our RIGHT.WRONG COLLECTION to create complete looks. Designed to be personalised straight away to a variety of clients; you will discover the infinite possibilities of line, form, texture and shape that are complimented by the latest COLOR.ME techniques. Create beautiful wash and wear hair with on-trend colour, shapes and design.

OUTCOMES: : Learn how to cut to the curve of the head and the art of unlocking natural texture and movement in the hair. Explore precision and free-form styling, building on your existing hair-layering skills combined with COLOR.ME techniques and recipes.

HIGHLY RECOMMENDED FOR: Stylists who want to push the boundaries of hair cutting and colour techniques.
